## EVENT INFORMATION

As this event is being held under Alert Level 2 guidelines, please read this important [Information for Attendees](#) and ensure you follow all instructions.

In order to ensure all Alert Level 2 government restrictions are followed, it is important that you stick to your assemble / warm-up time as indicated in the Information for Attendees document. **Please do not show up early.**

On arrival at the warm-up area you will collect your timing chip and race bib. You will also be given a named and numbered bag that you can leave any belongings in at the start area. All bags will be transferred to the finish area for you to collect once you have completed your race. You will then be escorted into the start area where you can complete your warm-up until your indicated start time. You will then be ready to race, good luck!

Once you have finished your race you will need to take your timing chip off your shoe and put it in the buckets provided. If you have won a medal you will be asked to stand aside in

order to collect your medal. After you have completed your race and collected your medal (if applicable) we ask that you leave the venue and warm down outside.

Please stay home and avoid attending the Athletics NZ Cross Country Challenge if you are:

- Unwell
- A confirmed or probable case of COVID-19
- Waiting for a COVID-19 test result
- Self-isolating

**Course Availability:** The course will be available for athletes to do a walk around on Friday from 4pm – 6pm. Please practice 2m social distancing while out on the course during this time. There will be no access to the course on Saturday apart from racing.

**Carparking:** There is plenty of carparking available at the venue and in the surrounding streets.

**Race Bib and Timing Chip collection:** Race Bibs and Timing Chips will be collected by each athlete individually from the warm-up area. There will be no centre team race pack collection.

**Team Tents:** There will be no team tents for athlete use. Instead there will be three tents along the course (warm-up area, start area, ceremonial area) that athletes can use for shelter.

**Team Events:** Due to the uncertainty and restrictions around travel, we are aware that some centres may not know who will be competing at the Athletics NZ Cross Country Challenge from their centre until the day of the event. Therefore, we have changed the way the teams events will be run to ensure a fair and enjoyable experience for all involved. Please see details on how this teams events will run below:

- The first four people across the finish line will count towards a centre's team points
- Only athletes wearing a centre uniform (singlet only is okay) will count for team points
- Everyone entered as part of their centre will be eligible (if in centre uniform) for the teams event, if they are one of the first four from their centre to cross the finish line

Note: We recommend that team managers bring some spare centre uniforms with them to ensure that all athletes have the opportunity to be part of their centre team

**Live Streaming:** In keeping with best practice around the broadcasting of younger athletes, we will only be live streaming Grade U16 events and above through the Sky Sport Next YouTube channel.

**Food and Refreshments:** The café onsite will not be open, however there will be a coffee van on site. There are plenty local cafes nearby to purchase any food and refreshments from.

# COURSE MAP

No running on or close to the greens. Please keep to the edge of the fairways.

Please respect the Golf Links, we are privileged to be able to use it for this event.
