

## Athletics NZ 2022-23 Membership Fees and 2022 AGM & Annual Conference

### I. 2022-23 Memberships Fees

Membership fees enable Athletics New Zealand to support centres, clubs, coaches and officials through development opportunities, competitions and resources with the aim of strengthening the athletics community.

In consideration of the difficult financial environment due to Covid-19, the Board agreed there will be no increase in individual membership fees. The Board also confirmed that there will be no increase in annual club affiliation fees – i.e club affiliation fees will remain \$130 for the 2022-23 membership year. A \$10 discount applies for credit or debit card payments.

**The table below outlines the fees that will apply from 1 April 2022 to 31 March 2023**

This generally does not include competitions offered through their centre or inter-club competitions. CVM supports child safety by including police vetting, child safety education and agreeing to abide by the Athletics NZ Code of Conduct.	\$0
