

# Pole Vault Event Group Plans 2022-23

## Performance

### Vision

To consolidate on developing a world-leading domestic programme capable of repeatable medal winning performances 2024 and beyond.

### How

Medal campaigns resulting in podium results.

Build on and develop performance environments to ensure we deliver repeatable and sustainable success through:

- High Performance Planning – access to resource and assistance to support performances
- Prioritising coaches – support and develop coaching networks to grow future HP athletes
- Individual Support – supporting athletes throughout the performance pathways
- Long term approach - bridging performance gaps by focusing on developing athleticism and performance behaviours.

### Initiatives

#### 1. Potts Classic Performance Camp 2023

Athletes and coaches captured across the ANZ-HP Athlete Pathway will be invited to attend the annual Potts Classic Performance Pole Vault Camp. The purpose of this camp is to provide a shared training environment for high level Pole Vault athletes and coaches from across the motu. Where appropriate, selected athletes and coaches transitioning into the performance domain may be invited to attend.

Additionally, applications will be opened for two (2) developing Pole Vault coaches to attend the camp for two (2) days in an observation/coach development capacity. A subsidy will be provided for this initiative with additional costs borne by the applicant.

**Location:** Hastings

**Dates:** January 2023 (TBC)

#### 2. High Performance Hui

Identified HP programme athletes and coaches will be invited to attend HP Hui initiative/s annually.

Location 1: AUT Millenium, Auckland

Dates: September 28-29, 2022

Location 2: February 2023 (in conjunction with Potts Performance camp)

Dates: TBC

#### 3. High Performance Athlete Development (HPAD)

There will be two specific HPAD opportunities for targeted athletes across event groups. There will be a multiple day domestic camp and an Australian tour held each year which Performance Development Squad (PDS) and/or Performance Potential Squad (PPS) athletes will have a priority invitation to attend.

## Community Initiatives

### Vision

To develop the depth and quality of athletes and coaches within the community to support the ongoing delivery and development of Pole Vault.

More athletes and coaches reaching for higher performances. Succession.

# Pole Vault Event Group Plans 2022-23

## How

The focus for community-based initiatives is to establish dedicated opportunities for athletes and coaches to interact with each other and our performance level coaches. In addition, a dedicated focus to develop a pool of quality ACE<sup>i</sup> to support club and regional coach development.

## Initiatives

1. Two (2) regional based camps providing developing athletes and coaches (and ACE) the opportunity to collaboratively come together over a period of several days to learn and develop the skill required to be a successful Pole Vault athlete/coach.

Locations: x1 South Island x1 North Island (Venues TBC)

Dates: Post domestic season (April) and/or Pre season Aug-Oct (TBC)

2. Establishment and delivery of Introduction to Pole Vault module (CAD Level 1)
3. Regional/club coach development delivery by request and where resource exist (Pads/Poles etc)
