

2023 World Para Athletics Championships Selection Policy: 8 – 17 July, Paris, FRANCE

1. SELECTION/SELECTION PHILOSOPHY

- 1.1 This Selection Policy is issued by Athletics New Zealand Inc. (“**Athletics NZ**”) and sets out the basis on which the Athletics NZ Selectors (refer to clause 2) will consider athletes for selection to compete at the 2023 World Para Athletics Championships (“**2023 WPCs**”).
- 1.2 The 2023 WPCs is an Athletics NZ “Black” Singlet competition (i.e. an Olympic Games, a Paralympic Games, a World Para Athletics (“**WPA**”) Championships, an World Athletics (“**WA**”) World Track & Field Championships or a Commonwealth Games).
- 1.3 The specific selection philosophy for this Championships is to select athletes who are deemed capable of performing at a truly world class level and with distinction at the Championships. This manifests as;
 - a) Individual athletes selected will be those deemed capable of a Top 8 placing at the 2023 WPCs; and
 - b) Relay team(s) will be those deemed capable of a medal placing at the 2023 WPCs.

2. SELECTION PANEL

- 2.1 The Board of Athletics NZ (“**Athletics NZ Board**”) has endorsed the following Selection Panel (“**Selectors**”) to consider athletes for selection for the 2023 WPCs:
 - a) Stephen Brown (Convenor); and
 - b) Portia Bing; and
 - c) Jess Hamill.
- 2.2 The Athletics NZ Board reserves the right to replace any member of the Selectors at any time for any reason.

3. CONDITIONS OF SELECTION

- 3.1 As a condition of selection for the 2023 WPCs, an athlete must:

- g) Hold a WPA International Classification that is valid for the 2023 season as per the WPA Classification Master List; and
- h) Hold a WPA Athlete License for the 2023 season that is active at the time of achieving a Performance Standard; and

- i) Have achieved two valid WPA Minimum Entry Standards (“**MES**”) and appear on the WPA Qualification Ranking;; and
- j) Enter into an athlete agreement with Athletics NZ (“**Athlete Agreement**”)
Note: This agreement will be distributed upon selection; and,
- k) Be and remain in “good standing” with Athletics NZ and at all times comply with all Athletics NZ and/or WPA codes of conduct and regulations and the terms and conditions of the Athlete Agreement and otherwise conduct themselves in a way that does not bring the sport or the team into disrepute; and
- l) Not have used or administered any substance which, if it had been detected as being present in the athlete’s body tissue or fluids, would have constituted doping or used any prohibited method or committed any other doping offence as defined in any applicable Athletics NZ or WPA anti-doping or related rules or regulations.

Note: Athletes should be aware that failure to comply with any of the requirements set out in this clause 3.1 may render them ineligible for selection.

Relay Athletes

3.2 To be eligible to compete at the 2023 WPCs as a member of a relay team, each member of the relay team must comply with all the requirements set out in clause 3.1.

Note: Nothing in this Selection Policy obliges Athletics NZ to select a full contingent of athletes in any particular event regardless of the WPA Regulations or the LOC’s entry requirements.

4. ENTRY REQUIREMENTS

Individual Events

- 4.1 For single class events, Athletics NZ may enter up to three eligible athletes per individual medal event provided each has achieved at least two MES in that event.
- 4.2 In combined class events (e.g. Shot Put F53/54/55) Athletics NZ may enter up to five eligible athletes in a combined medal event.
Note: For a combined class event, a maximum of only three eligible athletes can be entered within each sport class.
- 4.3 Requests for permission to start in additional event/s will be considered on the basis of whether or not:
 - a) Competing in the additional event would have a detrimental effect on the priority event/s for which the athlete gained selection; and
 - b) The athlete can be entered into the additional event/s in accordance with the 2023 WPCs Qualification System.

Note: Permission whether or not to confirm the entry of these athletes for the event, and final approval for them to start in the event, will also be at the sole discretion of the ANZ HPD Scott Newman in consultation with the relevant individuals (i.e. Team Leader, Athlete Coach, etc).

Relays

- 4.4 Athletics NZ may enter one Relay Team in the universal relay event of up to six athletes providing they are ranked in the Top 12 on the WPA Rankings during the Qualification Period in accordance with the 2023 WPA Championships Qualification Criteria.
Note: In order to be eligible for a Relay Team an athlete must have achieved two individual event WPA MES performances in accordance with the 2023 WPA Championships Qualification Criteria.
- 4.5 Relay Event priorities take precedence over Individual Event priorities for athletes who have not achieved an Athletics NZ ‘A’ Qualifying Standard (“**AQS**”) outlined in Appendix One (1) during the Qualification Period in an Individual Event.

Note: Relay team members who have not achieved an AQS during the Qualification Period in an Individual Event may be included in an Individual Event/s at the discretion of the 2023 WPC Team Leader, in consultation with the Athletics NZ High Performance Director (“**ANZ-HPD**”), the athlete and their personal coach, subject to the availability of a Qualification Slot and to the terms and conditions of this Selection Policy, in particular, clauses 4.6 and 4.7.

- 4.6 If a Relay Team is considered a strong medal chance, then some athletes may be selected for the Championships as a member of that Relay Team ahead of other qualified athletes. For avoidance of doubt, this means that an athlete who has at least two WPA MES that is a member of a relay team deemed capable of winning a medal may be selected ahead of other athletes who have achieved multiple Athletics NZ B Qualifying Standards (“BQS”) or better as outlined in Appendix One during the Qualification Period in an Individual Event.
- 4.7 If a Relay Team is not considered to be a medal chance by the Selectors, then the selection of any members of that team will be on the basis of their individual performances only. In this circumstance, should Athletics NZ not be able to select members for that Relay Team on individual merits, the relay qualification may be forfeited.

5. **PERFORMANCE STANDARDS**

- 5.1 For an athlete to be considered for Selection for the 2023 WPCs in an Individual Event, they must have achieved at least two Performance Standards, as listed in clause 7.1 and outlined in Appendix One, during the Qualification Period at a WPA Approved Competition. These competitions must be organized in conformity with World Athletics and WPA Athletics Rules and Regulations.
- 5.2 Excluding mixed relays, for all competitions held completely in the stadium, mixed events between male and female participants shall not normally be permitted. However, field events and track events of 5000m or longer for both men and women may be conducted simultaneously at one or more event sites. Separate result cards shall be used, and results declared for each gender.

6. **COMPULSORY SELECTION TRIAL**

- 6.1 The Athletics NZ Track & Field Championships in Wellington, 2-5 March 2023, is the Compulsory Selection Trial for the 2023 WPCs.
- 6.2 All athletes seeking selection for the 2023 WPCs must have either:
- Competed in the Compulsory Selection Trial in the event/s most relevant to the event/s in which they are seeking selection; or
 - Received written dispensation from the Convenor for the relevant Compulsory Selection Trial (refer to clauses 6.3 and 6.4); or
 - Received a medical exemption from the Compulsory Selection Trial as a result of injury or illness that occurred during the competition, or during the ten days before the competition, that can be verified by the provision of the medical certificate (refer to clause 6.5).

Dispensations from Compulsory Selection Trial

- 6.3 Athletes seeking dispensation from the Compulsory Selection Trial (other than a medical exemption covered by clause 6.5) must make a request by email to the [Convenor](#) no later than ten days prior to the Compulsory Selection Trial.
- 6.4 Dispensations from the Compulsory Selection Trial will be at the sole discretion of the Convenor and will generally only be granted to athletes in exceptional circumstances.

Medical Exemption from Compulsory Selection Trial

- 6.5 Athletes that are unable to effectively compete at a Compulsory Selection Trial as a result of injury or illness that occurred during the competition, or during the 10 days before the competition, must make a request for a Medical Exemption by e-mail. This must be accompanied by a copy of a Medical Certificate to verify their situation, as soon as they are aware of their situation, but no later than 48 hours after the conclusion of the Compulsory Selection Trial, to the [Convenor](#).

Note: The acceptance of any medical certificate is at the discretion of the Selectors.

Requirements for athletes granted a Dispensation or a Medical Exemption

- 6.6 Athletes who are granted dispensation or a medical exemption from competing in any Compulsory Selection Trial will generally be required to complete an alternative Proof of Fitness trial by a date agreed between the athlete, their personal coach (if applicable) and the Convenor in consultation with the 2023 WPCs Team Leader.

7. ADDITIONAL SELECTION CONSIDERATIONS

Individual Events

- 7.1 Athletes will be eligible for consideration for selection by the Selectors for the 2023 WPCs as a result of achieving:

- a) At least two AQS during the Qualification Period; or
- b) At least two BQS during the Qualification Period; or
- c) At least two MES during the Qualification Period.

Note: Typically, athletes who have previously represented Athletics NZ at a WPA Championships or Paralympic Games are unable to be considered for selection based on achieving at least two MES during the Qualification Period and must have achieved at least two BQS to be considered for selection. Due to the postponement of the 2021 WPCs, this condition does not apply to the 2023 or 2024 WPCs. This condition will be reinstated in the selection policy for the 2025 WPCs.

- 7.2 Athletics NZ also reserves the option to request a WPA Direct Invitation to include additional athlete/s to the 2023 WPCs team in order to support WPA to fulfil the following criteria:

- a) To enable greater representation by a nation; or
- b) To ensure events featured on the programme have sufficient representation for viability (refer to clause 7.3); or
- c) To enable greater representation by gender; or
- d) To ensure top athletes that may have not had the opportunity to formally qualify due to extraordinary circumstances

Note: The inclusion of athlete/s in the 2023 WPCs team under this clause is at the discretion of the Selectors in consultation with the ANZ HPD and can only be processed in May 2023 in liaison with the WPA.

- 7.3 Event viability is subject to the following criteria:

- a) A minimum of five athlete entries from three National Paralympic Committees (NPCs) is necessary to sustain an individual medal event on the programme.
- b) WPA shall review the event viability following the close of the final entries by name on 01 June 2023. In the case an event did not meet the above viability criteria by final entry, WPA reserve the right to combine such event with other event(s) where appropriate and applicable. In such combined field events, the Raza point system may be used to determine the placings.
- c) WPA also reserve the right to either cancel such events or run them as non-medal events.
- d) In the case the entry number of an event dropped below the aforementioned event viability criteria due to withdrawals after 01 June 2023, the event shall still be run as a Medal Event and the medals will be allocated under the 'minus one' rule.

- 7.4 In situations where athletes are required to be prioritized for any reason, then the Selectors may consider any combination of factors that they deem relevant to their decision whether or not to select an athlete, including but not limited to the athlete's:

- a) Quality and consistency of performances during the Qualification Period (e.g. athletes who achieve at least 2x AQS during the Qualification Period will be prioritized for consideration for selection above athletes who have achieved 2x BQS during the Qualification Period);
- b) Performance at the Compulsory Selection Trial;
- c) Potential to be highly competitive at the 2023 WPCs;
- d) Competitive record against other athletes under consideration for selection in the same event;
- e) Commitment and focus on competing at the 2023 WPCs;
- f) History of performances at previous selected individual or team events;

- g) Performances in international competitions during the Qualification Period;
- h) Recent injuries or illness; and/or
- i) Any other factors reasonably considered by the Selectors to constitute extenuating circumstances.

7.5 In any decision regarding the selection of athletes for the team, the Selectors may, in their sole discretion, also take into account any extenuating circumstances, including but not limited to:

- a) Injury or illness;
- b) Travel delays;
- c) Equipment failure;
- d) Bereavement or personal misfortune; and/or
- e) Any other factors reasonably considered by the Selectors to constitute extenuating circumstances.

7.6 Athletes unable to compete at competitions relevant to meeting the requirements outlined in this Selection Policy, must advise the [Convenor](#) of extenuating circumstances and reasons (accompanied by a medical certificate if applicable) or other such details, in writing, as soon as the extenuating circumstance is known (or at least within seven days). If the Convenor is not notified in writing of any extenuating circumstance in accordance with this Selection Policy, then the Selectors have no obligation to consider such circumstance.
