Proud sponsors of

Capital Classic Track and Field Meeting

We are absolutely proud to be sponsoring
the Capital Classic yet again in 2023.

Team Ledger are hugely committed to the
Wellington community, specifically the
Hutt Valley, where we are privileged to be
involved in many community organisations
and events.

We love our involvement in the Capital
Classic and seeing New Zealand's future
athletes shine. Best of luck to all those
competing!

Welcome to Newtown Park on behalf of Athletics Wellington.

On behalf of Athletics Wellington, it is my pleasure to welcome you all to the 19th ed Classic. Wellington is privileged to once again host this prestigious World Athletics Continental Meet. We expect that this will bring out the best in New Zealand's premier athletes with the opportunity to seek higher honours and be selected for major championships.

In particular, we welcome all athletes and coaches who have travelled to Wellington this year. After the covid related challenges of the last few years, it is fantastic to see the borders open and I am personally excited to see our Australian and French athletes compete tonight.

We would also like to importantly acknowledge the incredible contribution from all the local officials and volunteers who have so generously given their time tonight. Without you, events like this just don't happen! A heartfelt thanks to you all for the work you do throughout the season.

Finally, a special thanks to Mike and Tania Ledger, and their team at **Team Ledger Harcourts**. Their continued generous sponsorship and support of this event allows us to attract the very best athletes.

We hope you have a fantastic night and thank you for coming along to support the athletes.

Chairman, Athletics Wellington
Andrew Wharton

Welcome from ACEsports to the 2023 TEAM LEDGER Harcourts Capital Classic Track and Field Meeting.

Welcome to the 19th Capital Classic. It's a privilege to be associated with this event for almost 20 years as the World Athletics Continental Tour Challenger meet enables Wellington athletics to be part of the wider World, Oceania, and New Zealand Athletics community. Wellington is on the map for athletics with several athletes who have performed at their breakthrough best going on to achieve higher honours on the world stage. Australian World Champion Eleanor Paterson or our own Eddie Osei Nketia who ran his first New Zealand competition here at the Team Ledger Harcourts Capital and Zoe Hobbs and Sam Tanner who set the stadium alight in 2019, or Hamish Kerr in 2021 with his leap of 2.31m.

Again, athletes can gain 2023 World Championships qualifying performance points. We extend a special welcome to all athletes aiming to qualify for such events, and importantly welcome back to our Australian and French visitors. Without the impact of COVID we hope both athletes and supporters feel the more open environment of 2023.

I wish to acknowledge those of our leading New Zealand representatives who have made themselves available for the 2023 edition of the Team Ledger Harcourts Capital – Tom Walsh, Tori Peeters, Georgia Hulls, Rosie Elliot, Lauren Bruce along with some of our talented Para athletes like Lisa Adam and Anna Grimaldi.

To **Mike and Tania Ledger**, of our naming right sponsors “**TEAM LEDGER Harcourts**” I sincerely acknowledge and recognise you for your longstanding contribution to this event now over the last **TEN Years**. Many athletes have benefitted from your generosity through support of the meet via prizemoney, travel and accommodation subsidies. Sport in NZ would not survive if it was not for people like Mike and Tania who foster our competition opportunities making the Team Ledger Harcourts Capital Classic a permanent fixture on the athletics calendar.

Once again Athletics is generously supported by Wellington City Council who see the value in attracting international and national events to their city, and Newtown stadium venue as well as supporting the community. We know in 2024 will have enhanced stadium facilities and lights. A special welcome to renewed partnership with the FISO group in 2023.

As meet director and Athletics Wellington General Manager I cannot thank our selfless officials enough for their contribution to such meetings whether local or from around NZ who work hard and make a commitment to allow the athletes to perform and spectator to enjoy in the spectacle.

We wish you all good health and look forward to seeing all of you again next year for the 2024 edition. Best Wishes and Good Luck for the rest of your summer, see you back here for nationals in 4 weeks.

World Athletics Rankings SYSTEMS Overview

An individual athlete ranking system for the sport of athletics is managed by World Athletics. It is used to establish the number one athlete within an athletics event and to partially determine qualification into the World Athletics Championships and the athletics at the Summer Olympics. The rankings are published weekly by World Athletics.

Athletes are assigned a "ranking score" based on the average of their best performances within a 12-month ranking period, or 18-month period for combined events and distance events of 10,000 m or more. Each athlete performance is assigned a "performance score" which consists of a "result score" plus a "placing score" – the result score is based upon an athlete's best result in the final of a competition and is calculated via the World Athletics Scoring Tables (similar to the decathlon scoring method), while the placing score takes into account the athlete's final **placing within that competition** and the **category of the competition**, with more placing points being awarded in more prestigious competitions. E.g *Diamond League vs. Continental Tour Challenger Meets*

There is a total of ten competition categories, a code based on the level of the competition. There are four special categories for the foremost global and continental competitions, followed by categories ranked from A to F for other competitions.

The scores assigned to an athlete based on a given performance are derived from the IAAF Scoring Tables of Athletics. Placing scores vary based on the event, the competition category, and the placing of the athlete. The performance score is the combined total of the placing score and result score of an athlete performance. An athlete's ranking score is the average of their best performance scores within the ranking period. The ranking period is 12 months for all field events and track events of 5000 m or less, and is 18 months for 10,000 m, road running, racewalking and combined events. The number of best performances considered for the ranking score varies by event, with five performances considered field events and track events of 1500 metres or less, three performances for the 3000 metres steeplechase, 5000 metres, 20 kilometres race walk and road running (half marathon or 10K run) rankings, and two performances for the 10,000m, decathlon, heptathlon, marathon and 50 kilometres race walk. In all events, athletes will receive additional points in their ranking score if they have broken or equalled a world record in their main event or a similar event.

Placing Score Bonus Points awarded to athletes placed 1st to 8th at The Team Ledger Harcourts Capital Classic that are added to their event Performance Score are;

Place	1 st	2 nd	3 rd	4 th	5 th	6 th	7 th	8 th
Challenger Meeting Bonus Points	40	35	30	25	22	19	17	15

Important information for Competitors

Meeting and Competition Rules

The Team Ledger Harcourts Capital Classic will be conducted under the rules of Athletics New Zealand and World Athletics Continental Tour Challenger Meet requirements.

All competitors must be registered with Athletics New Zealand and compete in their National, Club or an approved uniform. NZ 3000 metre Championship athletes will be expected to have their competition shoes approved in the call room prior to the Championship event to meet World Athletes requirements.

For 2023 all athletes must follow the requirements of the Technical Delegate Meeting Director, and Meeting Officials. These directives are to ensure we all comply to the competition rules and for Health & Safety.

ATHLETE STADIUM ENTRY:

Athletes must enter the track by the **Access Door** behind the grandstand near the finishing line end, which is 70 metres from the public entry main gate. This room is the **Technical Information Centre** and **Results Centre**. Athlete Entry ONLY through this door will require you to check in to uplift your competition Bib #. Picking up your competition bib is confirmation of your intention to compete, confirm your event entries and notify asap any scratchings when you enter the stadium. All athletes are to check in to pick up competition bib # at least **90 minutes** before the scheduled start of their event.

COMPETITION BIB NUMBERS:

Your competition number becomes your event athlete event accreditation. Numbers are to be worn and must be displayed on the front and back of your competition vest during competition. High and Triple Jumpers may opt to wear only one BIB number. BIBs should be worn as given, no alteration will be allowed .

SCRATCHING:

A competitor who wishes to scratch from an event must do so in person to the Technical Information Centre as soon as possible or email tony@acesports.co.nz

DRAWS and REPORT TIMES:

Track: Lane Draws will be published after all confirmed entries are received up to 60 minutes prior to event and posted to **Athletic Live results** and to the information board [window].

Jumps and Throws: The competing order will be as set out by the draw sheets published 60 minutes prior to the event. If required Men's and Women's events will be conducted concurrently.

Reporting Call Times:

Track Athletes must report to the start line 10 minutes prior to advertised start time and

Field athletes to the field site position no later than **30 minutes** before **the scheduled start of the event**.

Field event athletes will be given an opportunity to do specified warmups at event site. Time permitting, they will be allowed 1 or 2 warmup throws.

For feature events we will attempt to introduce athletes to the stadium spectators before commencing

CALL ROOM:

A Call room **will only operate for the 3000 metres NZL Championship races. This call room will be at the Zoo End of the Function Lounge.**

WARM UP

Warming up can be done on the top field (No. 2) arena or outside the stadium.

If you warm up on the top field or outside the stadium, take your Bib # accreditation with you to show to the gate security to re-gain entry. It is preferred to use inside the top field (No.2).

HIGH JUMP

Start Heights: The start heights for the High Jump will be as follows.

Women : 1.57m, 1.62m, 1.67m, 1.72m, 1.76m, 1.80m, 1.84m, 1.87m, 1.90m, 1.92...
