

## Athletics NZ 2023-24 Membership Fees

Membership fees enable Athletics New Zealand to support centres, clubs, coaches and officials through development opportunities, competitions and resources with the aim of strengthening the athletics community.

We are introducing a range of new membership types to our membership structure, starting 1 April 2023. The Board has agreed that there will be no increase in individual membership fees associated with the existing membership types.

The Board also confirmed that there will be no increase in annual club affiliation fees – i.e. club affiliation fees will remain \$130 for the 2023-24 membership year. A \$10 discount applies for credit or debit card payments.

More information on the new membership types can be found [here](#).
