WELCOME

On behalf of Athletics New Zealand, it is my pleasure to welcome you to the Sir Graeme Douglas International presented by Harcourts Cooper & Co.

We are delighted you are joining us for one of the leading athletics meetings in New Zealand and hope that you enjoy the experience.

Special thanks to Douglas Pharmaceuticals and the Douglas family for supporting this meet in honour of Sir Graeme Douglas.

We are also pleased to welcome Harcourts Cooper & Co for the fourth year as presenting partner and wish to extend our gratitude for their support.

At Athletics NZ we are passionate about providing opportunities for athletes to achieve their full potential, from children just starting out through to the world-class performers you will see today.

As a World Athletics Continental Tour Bronze level meet, the points on offer at the Sir Graeme Douglas International presented by Harcourts Cooper & Co are among the highest available in the Oceania region.

This year our athletes are looking to achieve qualifying standards for the 2024 World Para Athletics Championships in Kobe, and both the 2024 Olympic and Paralympic Games in Paris.

We are fortunate this year to be able to welcome international athletes from Japan, Australia, Chinese Taipei, France, South Sudan, New Caledonia, Canada, Montenegro and Chile back to compete alongside New Zealand's own world-class stars.

That list is headed by javelin ace Tori Peeters, a podium finisher at the Diamond League final, Commonwealth Games pole vault bronze medallist Imogen Ayris, reigning New Zealand 100m champion Tiaan Whelpton as well as global para champions; Lisa Adams (shot put F37) and Danielle Aitchison (200m T36).

The Douglas Track and Field at The Trusts Arena is one of New Zealand's finest athletics venues and we are looking forward to a memorable evening.

Welcome once again and we hope you enjoy watching top New Zealand and international athletes in action. Thanks for your support and we hope to see you again next year.

ABOUT THE EVENT

The Sir Graeme Douglas International presented by Harcourts Cooper & Co.

Pitting a galaxy of international competitors up against the cream of domestic track and field talent, the tenth edition of the Sir Graeme Douglas International presented by Harcourts Cooper & Co promises to be a classic.

One of just two events in New Zealand boasting World Athletics Continental Tour bronze status – the other being the ITM in Christchurch which took place on 24 February – the three-hour high-paced meeting will showcase the very best in track and field action.

As a Continental Tour event it will offer a pathway into qualification for the Paris 2024 Olympic and Paralympic Games as both New Zealand and overseas athletes pursue entry standard marks and valuable points.

Among the star performers in action at this year's event include New Zealand javelin record-holder Tori Peeters, who last year claimed a podium spot in the Diamond League final, Commonwealth pole vault bronze medallist Imogen Ayris and 2023 World Championships 100m representative Tiaan Whelpton.

Many of New Zealand's leading Para athletes will also be building up their preparations for Paris led by Paralympic champions Lisa Adams (shot put F37) and Holly Robinson (javelin F46), World Para 200m T36 champion Danielle Aitchison and double World Para silver medallist (400m and Long Jump T36) Will Stedman.

Proudly supported by Douglas Pharmaceuticals and Harcourts Cooper & Co, the event is named in honour of Sir Graeme Douglas.

Douglas Pharmaceuticals was founded in 1967 by Sir Graeme. Today, Douglas Pharmaceuticals is New Zealand's largest family-owned healthcare company, employing over 700 people and exporting to 40 countries around the world.
